MOSES D

FULL STACK DEVELOPER

https://www.linkedin.com/in/mosesfdo/

234, George Road, Thoothukudi, Tamilnadu, India

SUMMARY

Resourceful Full Stack Developer with robust Python, JavaScript, HTML, and CSS skills, complemented by hands-on React experience through impactful internships and self-directed projects. Proven ability to design and implement user-friendly, responsive web applications that align with client and user needs. Recognized for fast prototyping, clean code practices, and a strong foundation in both frontend and backend technologies. Seeking to leverage technical expertise and a builder's mindset to contribute effectively to innovative development teams.

Motivated Full Stack Developer and AI enthusiast, experienced in end-to-end web solution design and cross-functional collaboration. Demonstrated success in delivering client-focused, functional web platforms, and thriving in dynamic project settings. Adept at blending creative problem-solving with emerging technologies, aiming to drive engaging digital experiences and business value. Eager to join forward-thinking teams and grow as a versatile developer.
